**ANAHEIM UNION HIGH SCHOOL DISTRICT
GOVERNING BOARD MEMBER**

BRIAN O'NEAL

OCCUPATION: Parent, Retired Businessman, AUHSD Board Member

As a Board Member, I support the District's goals of making our campuses a safe place to learn; of improving the learning environment on all campuses through modernization and new construction; and of improving academic scores District wide.

As Co-Chair of the Measure Z bond campaign, I helped to raise over \$250 million for the District to make improvements at all schools, making them a better and safer place to learn.

As a Board Member, I have voted to ensure that we prepare our students for both college and careers. Since not all students go to college, we must provide vocational programs such as Industrial Technology to prepare our students for a successful future.

I support excellence in education by hiring and retaining teachers who are eager to prepare our children for the future through teaching life skills such as respect and responsibility.

Reading is the foundation of education, and I will continue to support reading improvement programs for our students in all the schools, and for their parents through our outreach programs.

I will continue to support curriculum improvements, and to recruit and retain quality teachers. I want to continue to implement these goals. I ask for your vote.

As a former Governing Board Member, I have visited every school in the AUHSD and have spoken to various student groups on campus and if elected I will continue to interact with students, parents, and communities to be an effective Board Member.

I respectfully request your vote.

**ANAHEIM UNION HIGH SCHOOL DISTRICT
GOVERNING BOARD MEMBER**

KATHERINE H. SMITH

OCCUPATION: Incumbent/Businesswoman

Experience, Purpose and a Plan. I have served on the Anaheim Union High School District school board two terms and "know the ropes." My goal has been to create an environment where teachers can teach and students can learn.

Today we have safe, clean campuses with 5 minute clean-up bells and renovated restrooms. The Character Counts and Respect programs have improved the academic environment. For personal development I introduced the daily moment of silence coupled with an inspirational quote for students to think about their day. Academic attire has improved classroom behavior.

I have directed a new beginning to re-introduce trade/technology training to help all students find a satisfying career.

To keep up with a growing student population and avoid overcrowding, our District schools are being expanded-and all within budget!

Oxford Academy, which I inspired, was honored in Washington, D.C., as one of the top 30 model schools in the nation. It ranks number two in California. I will continue to preserve our Board's high standards through the coming economic realities.

Your vote for me will help insure that the AUHSD remains on an academically and fiscally direct course for four more years.

**ANAHEIM UNION HIGH SCHOOL DISTRICT

He was recently honored by the California Interscholastic Federation with the "Distinguished Service Award."

Speed Castillo say, "I have always operated with an open-door policy. I will continue this policy if elected to the Board of Trustees. I will expect the highest performance standards from students, and of course from teachers and principals as well. My focus is to provide a quality education for all children, operating carefully within the district budget, including the school bond funds. I respectfully ask for your vote."

Please join community leaders throughout AUHSD - from Anaheim, Buena Park, La Palma and Stanton - in supporting E.M. "Speed" Castillo.

SUSAN R. PREUS

AGE: 49

I am dedicated to educating children.

My direct experience includes a BA in education, K-12/special education teaching credentials, 8 years ACSD Trustee, CSBA Masters in Governance graduate, Leadership Anaheim participant, Chamber of Commerce Women's Division board, and Parks and Recreation Commissioner. I held many PTA site/council/district offices and co-chaired the 1998 school bond campaign.

I have owned and lived in my historic Anaheim home since 1983. My child attended Anaheim public schools.

During my tenure the district:

- maintained balanced budget;
- opened five new schools, modernized four schools, is rebuilding two schools;
- established new basic skills and English acquisition standards;
- increased parent involvement in school decisions;
- passed \$111 M bond;
- steadily increased test scores;
- earned state Distinguished School Award (Barton);
- started Anaheim Achieves after school program;
- provided professional development including New Teacher Academy;
- obtained \$6M grant for classroom computer technology;
- received Red Cross emergency preparedness award.

Much was accomplished; more opportunities lie ahead. We must continue to provide a rigorous curriculum, improve facilities, develop staff, and involve the community in creating safe learning environments. Our students must be prepared to master tomorrow's technology.

School districts must operate with sound business principles, keeping sight of their mission-educating children.

**CITY OF ANAHEIM
MEMBER OF THE CITY COUNCIL**

RICHARD "DICK" LAROCHELLE **AGE: 56**
OCCUPATION: Retired Anaheim Code Enforcement Officer
Supervisor

A 50-year resident of Anaheim, for the past 29 years I have worked as an Anaheim Code Enforcement Officer.

In my time working in our neighborhoods, I witnessed the progressive decay and futile efforts by residents to get the City to enhance or maintain neighborhood infrastructure. Sidewalks crumble, signs fade and rust, and streets are rarely resurfaced and painted. Where are the resort-like landscaping plans for your neighborhoods' streets?

With our revenue base - Disneyland, the Resort, Convention Center, Pond, Stadium, Grove, Utility, etc. we should have the nicest neighborhoods in America. We have below average neighborhoods in Orange County!

Anaheim Councils poured millions of dollars into the resort. The resort looks wonderful and generates millions of dollars for the City. Now it is time to pay that same level of attention to the neighborhoods.

Residents have seen little invested back in us - where we live - in our neighborhoods. It's time to take back the City for us residents. I will fight for the neighborhoods at every vote. Neighborhoods Now!

See my detailed plan at www.electlarochelle.org. If you like the plan or are just sick and tired of being ignored, then please, help us all by voting LaRochelle.

STEFANIE O'NEILL
OCCUPATION: Business Woman

"Stefanie's experience, extensive community involvement and energy have prepared her to serve on the City Council...Anaheim needs Stefanie O'Neill." -Frank Makowski

Experience:
Life long Anaheim resident
Successful business owner and Realtor
President, Concerned Citizens of the Canyon
Volunteer, Orange County Rescue Mission's outreach to Anaheim's "Motel Families"
Past Vice Chairman, Canyon Hills Community Council

Stefanie's Priorities:
Strengthen public safety so our police officers can more aggressively fight crime, gangs and drugs in our community. My top priority will be to create additional funding sources for more police officers and to ensure that they are properly trained and equipped to handle any situation.

Safeguard our neighborhoods by ensuring that any future growth in Anaheim is low density and consistent with our city's proud history. I will work for safe and improved parks, and create additional parks, recreation centers and sports complexes for all Anaheim residents.

Restrain government spending by scrutinizing current expenditures and by identifying alternate sources of income to add to Anaheim's general without placing further burden on Anaheim's residents and business owners.

"Stefanie O'Neill gets things done. She has a vision for Anaheim's future." - David Magee

JERRY O'CONNELL **AGE: 49**
OCCUPATION: Businessman/Planning Commissioner

Jerry O'Connell is an example of what makes both America and Anaheim great!

In 1983, Jerry founded Pacific Coast Sightseeing Tours. Starting with one bus, hard work and determination, Jerry built his Anaheim based business to 77 buses and 200 employees.

In the past decade Jerry O'Connell has been busy giving back to the community. Jerry was co-chairman of the YMCA Fundraising Drive for two years. He is a former chairman of Providence Speech and Hearing. He received a 2000 Community Award from the Assistance League of Anaheim.

Jerry is involved in his church and has taken an active role in coaching Anaheim youth sports.

Jerry is a past president of the Anaheim Chamber of Commerce, current chairman of the Anaheim Convention Bureau, and a current member of the Anaheim Planning Commission.

As a councilman, Jerry's top three priorities will be:
Combat traffic gridlock on our local streets and the 5, 57 and 91 corridors;
Give local law enforcement the tools needed to fight crime and terrorism;
Continue the effort to make Anaheim more business and job friendly.

On November 2, vote for someone who already has made a difference for Anaheim...Jerry O'Connell.

**CITY OF ANAHEIM
MEMBER OF THE CITY COUNCIL**

LORRI GALLOWAY

OCCUPATION: Executive Director Child Abuse Prevention Organization

In May, I sent out a citywide mailer asking you, the Anaheim voters, what issues were most important.

Your responses overwhelmingly told me that police and fire staffing levels must provide for safe neighborhoods and public venues. You said the 91 Freeway is one of the most congested in our state and relief should be a priority. You said the need for housing is critical, and careful development is important. Your issues are my agenda.

As the director of a non-profit child-abuse prevention organization for 20 years, I have learned how to effectively get things done by being resourceful and leveraging assets. Being a fiscal conservative is mandatory. I have a proven record with local, state, and national lawmakers of making things happen. I bring this unique experience to the citizens of Anaheim.

I am proud that citizens throughout Anaheim support my candidacy. Mayor Curt Pringle, Mayor Pro Tern Richard Chavez, Councilman Tom Tait, the Anaheim Firefighters Association, and many other Anaheim leaders have also endorsed my candidacy.

I will address quality of life issues for all, including the poor, needy and underserved. It will be my honor to continue a life of service to the people of Anaheim.

**CITY OF ANAHEIM
MEMBER OF THE CITY COUNCIL**

LUCILLE KRING

OCCUPATION: Anaheim Businesswoman

I'm asking that you return me to council to continue my vision for Anaheim:

Make Anaheim America's Most Dynamic City - safe, beautiful, vibrant, productive.

Reduce crime by hiring more police, strengthening community policing, keeping INS officer at City Jail.

Bring fiscal responsibility and efficiency to government.

Create responsible growth, providing jobs and housing while protecting neighborhoods.

Encourage cooperation between city government and school districts to improve education and offer more after-school programs.

Find long-term solutions for traffic and transportation.

Schedule evening Planning Commission meetings encouraging more community participation.

I accomplished much as your councilwoman from 1998-2002:

Led successful effort repealing 2.85% utility tax, saving ratepayers \$7,000,000/year.

Never voted for tax increases.

Fought for improvements in sidewalks, streets, sewers, parks, libraries, police/fire resources.

Voted for neighborhood beautification/revitalization projects.

Preserved open spaces in Anaheim Hills.

I have City Council experience, am a Rotarian, serve on boards of Anaheim Chamber of Commerce, Memorial Medical Center, YMCA, Canyon Hills Community Council. My husband and I have lived in Anaheim 15 years.

Join your neighbors, vote for Lucille Kring - a name you know, a name you trust.

Public service is a privilege. I would be honored to have your vote.

JOHN R. KARCZYNSKI

OCCUPATION: Businessman/Community Leader

Friends

November 2, our city faces an opportunity only given to us every 2 years; to elect a city councilmember to represent us.

This year the decision is even bigger than the past. We must decide if it is better to have the interests of a political party or the interests of the Community represent us at City Hall.

As a Third Generation Resident of Anaheim and a Dedicated Community Leader I am here to offer the community a genuine voice of unity. My commitment to our city can be seen in the passionate way I have been a Leader in such groups as WAND, Canyon Hills CC and The Anaheim Housing and Redevelopment Commission. All of these groups are committed to building a better community for all of Anaheim.

**CITY OF ANAHEIM
MEMBER OF THE CITY COUNCIL**

HARRY SIDHU

AGE: 47

OCCUPATION: Businessman/Budget Commissioner

My family has a lifelong commitment to Anaheim. We have our business here and have chosen to raise our children in Anaheim because of the quality of life that was offered here. That quality of life seems to be slipping away. I am concerned about Anaheim's future.

Crime is increasing, traffic is getting worse and city hall is less responsive. I support park expansion, neighborhood beautification programs and timely street repair.

My top priorities:

Make certain our police department has the resources to make our neighborhoods, parks and schools safer and to control crime, drug enforcement and gangs;

Clean up ugly billboards, reduce tattoo parlors, liquor stores and blight; Fighting to improve classrooms and open new libraries for our elementary schools;

Work to preserve historic homes.

I will never vote to increase any fees or taxes and will work to keep property taxes low by protecting Proposition 13.

My goal is to bring Anaheim together and live as one happy family.

My community involvement includes serving as chairman of the Budget Advisory Commission, Orange County Housing Commission and Board member of the Boys and Girls Club of Anaheim.

I ask for your vote. www.joinharry.com
