Revision January 2015

SOP 4

1. Added 2.5.2.6. to repeat the measurement process with a check standard.
2. Equations 3.1.1. and 3.1.2., 3.2.2.1., 3.2.2.2. were all updated to start calculations with the check standards and then substitute S_c with X in all equations. 3.2.2.1., 3.2.2.2. previously had a mix of S_c and X subscripts as well.
3. 3.2.5 numbering was empty/off. Renumbered subsequent sections.
