of attendees expressed satisfaction with the PSCR June Conference

94%

of attendees expressed satisfaction with with the quality of the presenters/speakers

Why attendees are raving

Great opportunity to learn about cutting-edge work being done in the field.

The technical information was very interesting and informative.

The PSCR Conference enables a large group of industry and public safety members to come together.

This Conference offers a breadth of material and the ability to interact with peers and other specialists in the same room

As part of a team doing education and outreach in our state, this was invaluable. Great variety of speakers as well!
