Other Updates

Other Updates

Sprint Team/CSF 2.0

Q: Hey, what happened to that so-called Sprint Team? Isn't CSF getting updated? What's the impact on PWWG?

A: It will spin up likely sometime this summer. CSF updates won't immediately impact PF or PWWG.

Other Updates

Member Survey Recommendations

Note: Broad support for the changes we are implementing going forward. ✓

- More conference calls/meetings
- More emphasis/information on member expectations for new members
- Schedule calls for participants in Asia at a more friendly time. Most calls happen in the middle of the night for us here in Asia.
- Implement reward and recognition (e.g., Credly badge)
- Provide some sort of letter or certificate or anything that helps us document our efforts for our employers!
