### **Resolution #10-07: Offered by Dr. Rivest**

#### **Title: TGDC Encouragement of Innovation**

The TGDC recognizes that innovation in voting systems must take place for voting systems to become more usable, accessible, secure, reliable, and accurate for all voters and voting populations. The TGDC urges the EAC, with technical assistance from NIST, to continue to develop and publish detailed plans and specific procedures for an Innovation Class program so as to encourage innovation in voting systems and to make clear to manufacturers how they may use the Innovation Class to achieve conformance to the VVSG for their innovative products.
