

ANNEX I
TO PHASE I AND PHASE II PROCEDURES
LIST OF TECHNICAL REGULATIONS
FOR HONG KONG, CHINA

Phase I & II

The Technical Regulations for which Hong Kong, China will accept test reports and equipment certifications from recognized Conformity Assessment Bodies designated by the other Party are:

1. Technical requirements for radio equipment as stipulated in the HKCA 10xx and HKCA 12xx series of specifications¹.
2. Technical requirements for wireline equipment as stipulated in the HKCA 2xxx series of specifications.
3. EMC requirements for radio equipment exempted from licensing under Schedule 2 to the Telecommunications (Telecommunications Apparatus) (Exemption from Licensing) Order and its subsequent Amendments.

The following documents provide additional legal framework or useful guidelines for implementation of conformity assessment procedures for telecommunications equipment :

1. Control of radio disturbance of information technology equipment as stipulated in [Part 3 in Schedule 1 to Chapter 106B of Hong Kong Law -- Telecommunications \(Control of Interference\) Regulations](#).
2. OFCA I 401 "How to Apply for Type-approval or Type-Acceptance of Radio Equipment"
<http://www.ofca.gov.hk/filemanager/ofca/common/Industry/telecom/standard/i401e.pdf>
3. OFCA I 412 "How to Apply for Certification of Customer Premises Equipment to be connected to the Public Telecommunications Networks in Hong Kong"
<http://www.ofca.gov.hk/filemanager/ofca/common/Industry/telecom/standard/i412e.pdf>
4. OFCA I 421 "Hong Kong Telecommunications Equipment Evaluation and Certification (HKTEC) Scheme"
<http://www.ofca.gov.hk/filemanager/ofca/common/Industry/telecom/standard/i421e.pdf>

¹ Before the establishment of the CA on 1 April 2012, the specifications prescribed by the TA were named as HKTA specifications. From 1 April 2012 onward, revised versions of existing HKTA specifications and new specifications prescribed by the CA will be named as HKCA specifications. For the avoidance of doubt, unless the specific issue number of the HKTA specification is explicitly specified, reference in any document to HKTA specification shall be construed as including reference to the corresponding HKCA specification as may be revised from time to time. In addition, reference in any document to HKCA specification shall be construed as referring to the corresponding HKTA specification if the HKCA specification under reference is not yet present.
