

APPLICATION INSTRUCTIONS FOR SURF-G-2012-01

OVERVIEW

The application consists of three **mandatory** elements: Formal Proposal and Information about the Applicant Institution; Student Information, and Required Forms.

Formal Proposal and Information about the Applicant Institution:

- (1) description of the institution's education and research programs; and
- (2) a summary list of the student(s) being nominated.

Student Information (student's name and university should appear on all of these documents):

For each student:

- (1) student application information cover sheet (can be found at <http://www.surf.nist.gov/pdf/apchklst2011.pdf>);
- (2) academic transcript for each student nominated for participation (it is recommended that students have a G.P.A. of 3.0 or better, out of a possible 4.0);
- (3) a statement of motivation and commitment from each student to participate in the 2010 SURF program, including a description of the student's prioritized research interests;
- (4) a resume for each student;
- (5) two letters of recommendation for each student that should address the evaluation criteria in e.1.(A); and
- (6) copy of passport, green card, or birth certificate as confirmation of U.S. citizenship or permanent legal resident status for each student.

ELECTRONIC SUBMISSION

The Grants.gov registration process must be completed before a new registrant can apply electronically. If all goes well, the registration process takes from 3 to 5 business days. If problems are encountered, the registration process can take up to 2 weeks. Only authorized individual(s) will be able to submit the application, and the system may need time to process a submitted application. Applicants are strongly encouraged to start early and not to wait until the approaching due date before logging on and reviewing the instructions for submitting an application through Grants.gov. It may take several days or longer from the initial log-on before a new Grants.gov system user can submit an application. Applicants should save and print the proof of submission they receive from Grants.gov. If problems occur while using Grants.gov, the applicant is advised to (a) print any error message received, and (b) call Grants.gov directly at 800-518-4726 for immediate assistance. Grants.gov hours of operation are Monday-Friday, 7:00 a.m. to 9:00 p.m. Eastern Standard Time (except for Federal holidays).

Users of Grants.gov (www.grants.gov) will be able to download a copy of the application package, complete it off line, and then upload and submit the application package and associated proposal information via the Grants.gov website.

Applicants should follow the Application Instructions provided at Grants.gov when submitting a response to this funding opportunity. Applicants are encouraged to start early and not wait to the approaching due date before logging on and reviewing the instructions for submitting an application through Grants.gov.

Applicant may choose to scan or create the necessary documents and then attach them to the application in Grants.gov. **The following forms and documents are required, but are not available on Grants.gov:**
