[Toxicology Liaison](#)

Dr. Chris Weis serves as Science Advisor and Toxicology Liaison for the Director of the National Institute for Environmental Health Science (NIEHS) in Bethesda, Maryland where he represents NIEHS and the National Toxicology Program (NTP) on national and international committees, task forces, and ad hoc working groups. Prior to joining NIEHS in August 2010, Chris served for nine years as the forensic toxicologist for the National Enforcement Investigations Center (NEIC) in Denver, Colorado. Chris completed his Ph.D. in medical physiology and toxicology at Michigan State University in 1987 and served his postdoctoral fellowship at the University of Virginia School of Medicine, Department of Physiology and Biophysics.
