Dear NIST Explainable AI Team:

Thank you for the opportunity to submit comments and feedback in response to NIST's Call for Comments on the Draft "Four Principles of Explainable Artificial Intelligence" (NISTIR 8312). These comments were gathered from several subject matter experts across The MITRE Corporation in order to represent a variety of viewpoints on the topic.

Please find our response in the attached report, "MITRE Response to NIST Call for Comments: NISTIR 8312."

Should you have any questions on our feedback, please feel free to reach out to me.

Sincerely,
-Mike.
