EMERGENCY SERVICES	DHS (CISA)	TRANSPORTATIONS SYSTEMS	DOT & DHS
ENERGY	DOE	WATER WATER	EPA

The Sectors that need Government

Mitigating Risk = The Mission

- 16 critical infrastructure (CI) sectors, whose assets, systems, and networks, whether physical or virtual, are considered so vital to the United States that their incapacitation or destruction would have a debilitating effect on security, national economic security, national public health or safety, or any combination thereof
- 55 national critical functions (NCF) of government and the private sector so vital to the United States that their disruption, corruption, or dysfunction would have a debilitating effect on security, national economic security, national public health or safety, or any combination thereof

SMART SOLUTIONS FOR SMART CITIES
