2019

PSCR
Public Safety Broadband Stakeholder Meeting

Teaser Agenda

The Westin Michigan Avenue Chicago

A **first-look** at plans for Chicago

3 Days

Attend three days of presentations, demos, and networking opportunities:

- Tuesday, July 9th: 8:00am-5:30pm
- Wednesday, July 10th: 8:30am-5:30pm
- Thursday, July 11th: 8:30am-5:30pm

Prize Challenge Results

Meet the winning teams and see their designs, and learn about upcoming challenge opportunities.

Keynote Speakers

Hear from government officials, public safety, and industry leaders.

Research Sessions

Select from over 70 sessions across six different conference streams:

- Mission Critical Voice
- Location-Based Services
- Public Safety Analytics
- Enhanced User Interface/User Experience
- Security
- Resilient Systems

Interact with demonstrations each day across research areas.

A final agenda is being developed and will be released in the coming months.
