

National Cybersecurity Center of Excellence (NCCoE) Workshop

June 26, 2012

8:00 AM – 9:00 AM **Registration**

9:00 AM – 9:10 AM **Welcome and Opening Remarks**
Speaker: *Dr. Charles Romine*
Director, Information Technology Laboratory, National Institute of Standards and Technology

9:10 AM – 9:20 AM **Keynote Address**
Speaker: *Dr. Patrick Gallagher*
Under Secretary of Commerce for Standards and Technology and Director of the National Institute of Standards and Technology

9:20 AM – 9:50 AM **NCCoE Status**
Speaker: *Donna Dodson*
Chief, Computer Security Division and Acting Executive Director, National Cybersecurity Center of Excellence

9:50 AM – 10:45 AM **Panel 1: NCCoE Proposed Business Model**
Moderator: *Adam Sedgewick*
Senior IT Policy Advisor, NIST

Curt Barker, Acting Associate Director Operations, NCCoE

Henry Wixon, Chief Counsel for NIST

Karen Waltermire, IT Specialist, Computer Security Division

Matt Scholl, Deputy Chief, Computer Security Division

Description: Panel members will describe the proposed NCCoE business model and processes that would drive operations:

- Business Engagement & Problem Statement Definition
- The NCCoE partnering processes will also be discussed to include the use of Collaborative Research and Development Agreements (CRADAs)
- Use Case Selection
- IT Industry Component Selection
- Implement in Operational Environment

TIMES AND SCHEDULES SUBJECT TO CHANGE

10:45 AM – 11:00 AM **Break**

11:00 AM – 11:30 AM **Panel 1: Q&A**

Moderator: *Adam Sedgewick*
Senior IT Policy Advisor, NIST

11:30 AM – 12:00 PM **Panel 2: Health IT Partnership**

Speakers: *Leon Rodriguez*
Director, Office for Civil Rights, US Department of Health and Human Services

Joy Pritts
Chief Privacy Officer, Office of the National Coordinator for Health Information Technology, US Department of Health and Human Services

Description: A discussion on the importance of securing electronic health information. An explanation of a business problem from stakeholders likely involved in the NCCoE Business Engagement and Problem Statement Definition step.

12:00 PM – 1:00 PM **Lunch** [provided]

1:00 PM – 1:45 PM **Panel 3: Business Community Discussion**

Moderator: *Curt Barker*
Acting Associate Director Operations, NCCoE

Ilene Yarnoff, Booz Allen Hamilton

Lisa Gallagher, Healthcare Information and Management Systems Society

Description: Representatives of the Health Care Business Community will further identify security needs that the NCCoE may be well suited to help. This session would be centered on the Use Case Selection step - using "securing electronic health records" as an example of a typical use case.
