**PROPOSED CONSTITUTIONAL
AMENDMENT D**

This amendment would allow the Wyoming legislature to enact laws limiting the amount of damages for noneconomic loss that could be awarded for injury or death caused by a health care provider. "Noneconomic loss" generally includes, but is not limited to, losses such as pain and suffering, inconvenience, mental anguish, loss of capacity for enjoyment of life, loss of consortium, and other losses the claimant is entitled to recover as damages under general law.

This amendment will not in any way affect the recovery of damages for economic loss under Wyoming law. "Economic loss" generally includes, but is not limited to, monetary losses such as past and future medical expenses, loss of past and future earnings, loss of use of property, costs of repair or replacement, the economic value of domestic services, loss of employment or business opportunities.

This amendment will not in any way affect the recovery of any additional damages known under Wyoming law as exemplary or punitive damages, which are damages allowed by law to punish a defendant and to deter persons from engaging in similar conduct in the future.

AMENDMENT B**

The adoption of this provision authorizes the legislature to enact laws for local governments to use local sources of revenue for economic or industrial development subject to approval of the voters.

This amendment would allow the Wyoming legislature to enact laws requiring alternative dispute resolution or medical panel review before a person files a lawsuit against a health care provider for injury or death.

**PROPOSED CONSTITUTIONAL
AMENDMENT D**

This amendment would allow the Wyoming legislature to enact laws limiting the amount of damages for noneconomic loss that could be awarded for injury or death caused by a health care provider. "Noneconomic loss" generally includes, but is not limited to, losses such as pain and suffering, inconvenience, mental anguish, loss of capacity for enjoyment of life, loss of consortium, and other losses the claimant is entitled to recover as damages under general law.

If this proposition is approved, the tax shall remain in effect until a petition to discontinue the tax, signed by not less than ten percent (10%) of the voters of the district, is received by the board of county commissioners, and the proposal to discontinue the tax is approved by the voters. The proposal to discontinue the tax shall be submitted to the voters of the district at the expense of the county at the next general election or by mail ballot pursuant to W.S. 22-29-115 and 22-29-116 for approval or disapproval."

Funds generated by this levy will continue soil and water conservation projects and programs that will be administered by the Popo Agie Conservation District. This question is to continue the mill levy which was approved in the 1988, 1992, 1996, and 2000 General Elections.

If this proposition is approved, the tax shall remain in effect until a petition to discontinue the tax, signed by not less than ten percent (10%) of the voters of the district, is received by the board of county commissioners, and the proposal to discontinue the tax is approved by the voters. The proposal to discontinue the tax shall be submitted to the voters of the district at the expense of the county at the next general election or by mail ballot pursuant to W.S. 22-29-115 and 22-29-116 for approval or disapproval."

**PROPOSED CONSTITUTIONAL
AMENDMENT D**

This amendment would allow the Wyoming legislature to enact laws limiting the amount of damages for noneconomic loss that could be awarded for injury or death caused by a health care provider. "Noneconomic loss" generally includes, but is not limited to, losses such as pain and suffering, inconvenience, mental anguish, loss of capacity for enjoyment of life, loss of consortium, and other losses the claimant is entitled to recover as damages under general law.

This amendment will not in any way affect the recovery of damages for economic loss under Wyoming law. "Economic loss" generally includes, but is not limited to, monetary losses such as past and future medical expenses, loss of past and future earnings, loss of use of property, costs of repair or replacement, the economic value of domestic services, loss of employment or business opportunities.

This amendment will not in any way affect the recovery of any additional damages known under Wyoming law as exemplary or punitive damages, which are damages allowed by law to punish a defendant and to deter persons from engaging in similar conduct in the future.
