

Dr. Heidi Goenaga-Infante

Biography

Heidi Goenaga-Infante graduated in 1991 from the University of Havana, Cuba. In 1999, she obtained her Ph.D. from the University of Oviedo, Spain. She was a research assistant at the Micro and Trace Analysis Centre (MiTAC), University of Antwerp (1999-2003). Since 2003, she joined LGC Limited in Teddington, United Kingdom. Heidi Goenaga Infante is currently Principal Scientist for the Chemical Measurement and Calibration team at LGC. Her research interests lie in trace element speciation analysis, metallomics research, combined use of elemental and molecular mass spectrometry, size-based element fractionation and the characterisation of “speciated” reference materials and standards. H. Goenaga Infante is a member of the International Advisory Board of the journals *Analytical Chemistry* and *Metallomics*.
