# Instructions to Sign Up for the Privacy Workforce Working Group (PWWG) Project Team 6 Mailing List

When you email privacyworkforcept6+subscribe@list.nist.gov, you will receive an automated e-mail (see screenshot) confirming receipt of your request to join the Privacy Workforce Working Group (PWWG) Project Team 6 mailing list.

If you *don't* have a Google account, you should only reply back to this e-mail, privacyworkforcept6+subconfirm@list.nist.gov (no subject is needed) to continue with your join request. **Do not** click on the "Join this Group" button. A member of the NIST PWWG Team will send you an e-mail directly to inform you that your request is approved. If you receive a "Delivery Status Error" message after sending an e-mail to privacyworkforcept6+subconfirm@list.nist.gov, your request may have timed out. Please resend an e-mail to privacyworkforcept6+subscribe@list.nist.gov requesting to join the Project Team 6.

If you do have a Google account, you may use the "Join this Group" button, and follow the process to join the Google Group. You will receive an automated response once your request is approved.
