

	DEPARTMENT OF COMMERCE National Institute of Standards and Technology National Voluntary Laboratory Accreditation Program	ISSUE DATE: October 20, 2026
	LAB BULLETIN	NUMBER: LB-168-2026 LAP: ECT
SUBJECT: Revision of Handbook 150-11A Checklist, <i>ECT: FCC Equipment Authorization Requirements for Recognition</i>		

The purpose of this bulletin is to notify laboratories of the revision to the Handbook 150-11A program specific checklist, *ECT: FCC Equipment Authorization Requirements for Recognition*, based on KDB 974614 *FCC Technical Assessment Evaluation Checklist*-July 31, 2026 and the FCC Accredited Testing Laboratory Program Roles and Responsibilities – July 31, 2026, Appendix A, Testing Laboratory Scope of Accreditation, Table A1 Scopes of Accreditation for testing performed in support of FCC Certification approval procedures.

Notice

The Handbook 150-11A program specific checklist, *ECT: FCC Equipment Authorization Requirements for Recognition*, has been revised based on the FCC Technical Assessment Evaluation Checklist (KDB 853844 – July 31, 2026) and FCC Accredited Testing Laboratory Program Roles and Responsibilities, Appendix A, Testing Laboratory Scopes of Accreditation, Table A1, (KDB 974614 – July 31, 2026).

The primary changes are related to Table 1, Technology in support of FCC Certification approval procedures, and include the addition of ANSI C63.10 COR1-2023, ANSI C63.19:2019 and KDB 447498. Additionally, clarification edits were made to BPL Intentional Radiators for Part 15 Subpart G as BPL is no longer applicable for recognition with the FCC based on the [Direct Final Rule Delete, Delete, Delete, ET Docket No. 25-133, FCC 25-85](#), adopted on December 19, 2025, and effective on March 27, 2026.

Use of this checklist is effective immediately upon publication of this Lab Bulletin, and supersedes the previous version dated March 14, 2024. The current version of the NIST Handbook 150-11A Checklist is accessible to the laboratory in the NVLAP Interactive Web System (NIWS) Lab Portal in the Documents Library under the Search Documents tab.

The checklist shall be completed by the NVLAP assessor at the regularly scheduled renewal assessment.

Questions should be directed to Amanda McDonald, Amanda.McDonald@nist.gov or Janneth Marcelo, Janneth.Marcelo@nist.gov.
