

National Archives and Records Administration (NARA) Fiscal Year 2024 Agency Report

I. Please provide a summary of your agency’s activities undertaken to carry out the provisions of OMB Circular A-119, “Federal Participation in the Development and Use of Voluntary Consensus Standards and in Conformity Assessment Activities” and the National Technology Transfer and Advance Act (NTTAA). The summary should contain a link to the agency’s standards-specific website(s) where information about your agency’s standards and conformity assessment related activities are available.

When NARA used standards during rulemaking in FY 2024, we complied with Executive Order 12866, “Regulatory Planning and Review”; Executive Order 13563, “Improving Regulation and Regulatory Review”; Executive Order 13610, “Identifying and Reducing Regulatory Burdens”; Executive Order 13609, “Promoting International Regulatory Cooperation”; Executive Order 13771, “Reducing Regulation and Controlling Regulatory Costs”; and OMB Circular A-4, “Regulatory Analysis.”

NARA promulgated no rules in FY 2024 using Government unique standards (GUS).

NARA uses voluntary consensus standards (VCS) in our procurement activities. NARA's Office of the Chief Acquisition Officer relies on program office personnel (technical experts) to identify, manage, and review the standards used in procurements of products and services within their own program areas.
