

## Appendix D. Change Log

Corrections made in an errata update do not alter existing or introduce substantive technical information, but rather are intended to remove ambiguity and improve interpretation of the work. Changes were made after a careful review of the December 2023 version.

| Law or Regulation       | Section  | Action   | Page(s) |
|-------------------------|--|--|---------|
| Entire Handbook         | Table of Contents  | Table of Contents updated for page refresh and missing sections  |         |
