IUVA
ULTRAVIOLET ASSOCIATION

Workshop on Ultraviolet Disinfection Technologies & Healthcare Associated Infections: Defining Standards and Metrology Needs

NIST
Gaithersburg
Maryland
January 14-15
2020

www.nist.gov
www.iuva.org

Chairs:

Dr. Cameron Miller
NIST

Dr. Richard Martinello
Yale School of Medicine

WORKSHOP TOPICS:

- Fundamentals of UVC/Light Disinfection
- Healthcare Associated Infections
- Biological and Light Measurements
- Building Safer Healthcare Environments
- Beyond UVC
- Metrology Needs for Performance Assessment
- Industry and Government Roundtables
- Tours of NIST UV and Bio Facilities

IMPORTANT DATES:

OPENING OF WEBSITE

October 2019

OPENING OF REGISTRATION

November 2019

DEADLINE TO REGISTER

Registration is required to attend

est. January 3
2020
