

Purpose

The purpose of this spreadsheet is to help give crime laboratories and other interested organizations a better idea of the documents available for implementation on the OSAC Regisistry and where other OSAC documents are in the development and implementation process.

Key

Tier 1 - Document on the OSAC Registry; approved by OSAC with highest level of vetting

Tier 2 - OSAC supported document published by an SDO; completed SDO consensus process

Tier 3 - OSAC draft document sent to an SDO for development; drafted with input from Resource Committees and approved by SAC

Tier 4 - Working draft document inside OSAC development process and not yet publicly available

* = Currently in OSAC Registry Approval Process
