Overview of Status

After applications have been submitted, applicants/recipients will utilize the Status module in eRA Commons to track and maintain their awards. Through the Status module, users are able to:

- Track application status
- Accept/decline award
- Initiate Correspondence
- Submit Revision Requests
- Submit progress reports and additional materials

Status – Access

Applications are tracked in eRA Commons via the Status module.

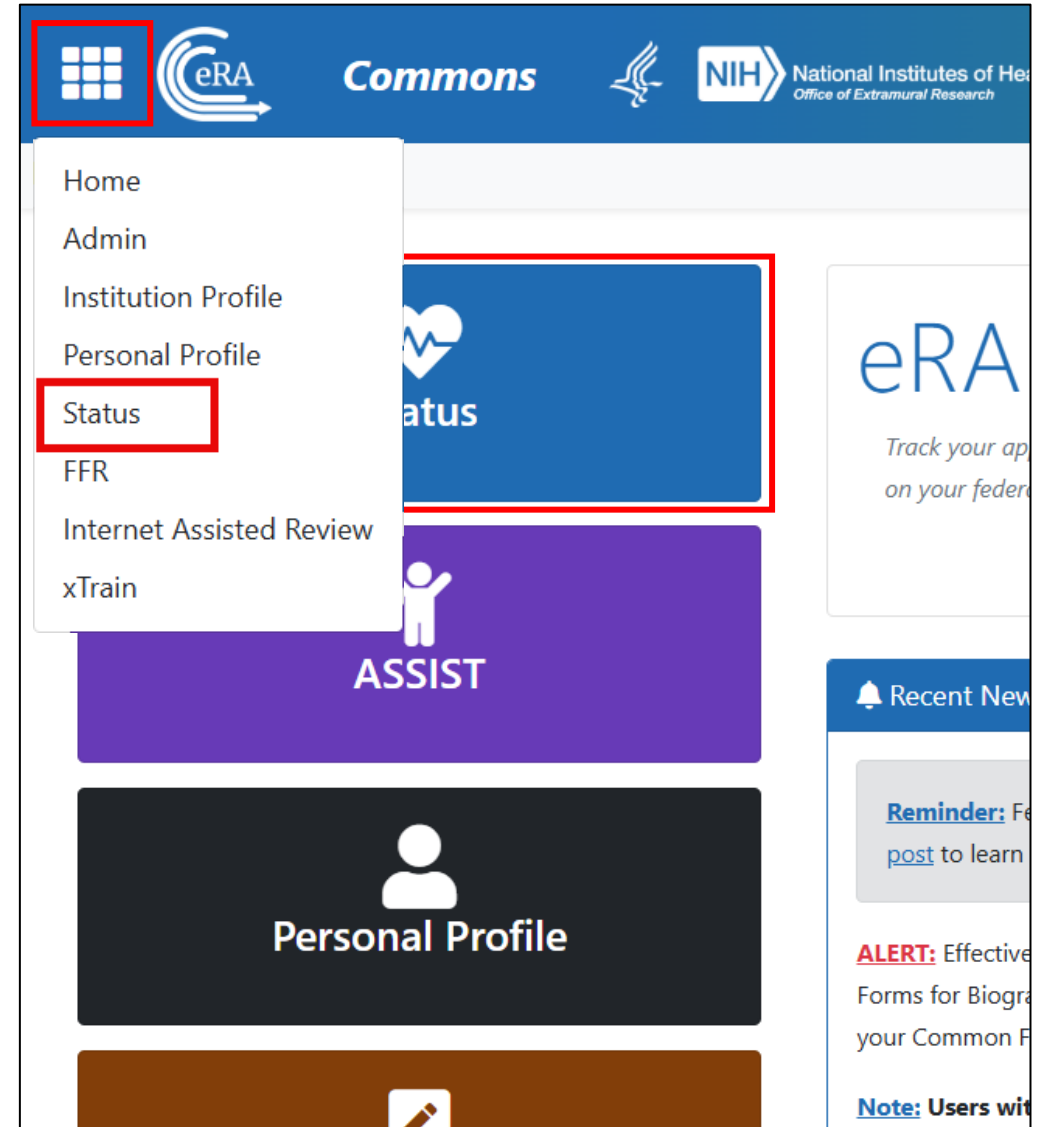

eRA Commons Roles Required to Access Status:

- Signing Official (SO)
- Administrative Official (AO)
- Project Director/Principal Investigator (PD/PI)

-Migrated Awards-

Existing awards for NIST and cross-serviced bureaus are also accessed via Status. Active awards should appear in eRA Commons October 30th, 2026.

Important Reminder: Your organization must be registered prior to data migration for your awards to appear in eRA Commons.
