NATIONAL INSTITUTE OF STANDARDS AND TECHNOLOGY (NIST)

Summer High School Internship Program (SHIP)
Availability Form

We, the undersigned student and parent/guardian, acknowledge and agree that if the student is selected for and accepts a position in NIST's Summer High School Internship Program (SHIP), _____ (student's name) will be available to work in person for seven (7) consecutive weeks during the summer of 2027. We further acknowledge that we are responsible for securing and providing the student's housing and transportation for the duration of the program.

SHIP Program Dates: June 21 – August 6, 2027

We also understand and agree that the student is required to:

- Work with their mentor on a designated research project
- Compose and submit an abstract halfway through the program summarizing their research project
- Create and present a poster during the final week of the program; and
- Attend the SHIP Closing Ceremony on the last day of the program. Parents/guardians and other family members are invited to attend the SHIP Closing Ceremony at their discretion.
