

Curriculum Vitae

Date: 4/2024

NAME AND CURRENT POSITION

Name:	Dr. Oliver Slattery.
Position Title:	Physicist / Leader – Quantum Communications and Networking Project (ITL).
Division/Department:	Applied and Computational Mathematics Division/Information Technology Laboratory.
Branch:	National Institute of Standards and Technology (NIST).
Google Scholar Profile:	Oliver Slattery - Google Scholar
Professional Website:	https://www.nist.gov/people/oliver-t-slattery
Project Website:	Quantum Communications and Networking Project

WORK EXPERIENCE

2018-present	Leader: Quantum Communication and Networking project National Institute of Standards & Technology (NIST), Gaithersburg, MD, USA. ⇒ <i>Leading research team on quantum repeater and quantum networking systems and components including development and characterization.</i>
2004-2018	Research Scientist National Institute of Standards & Technology (NIST), Gaithersburg, MD, USA. ⇒ <i>Research on optical storage, data preservation, quantum communication.</i>
1998-2004	Guest Research Associate National Institute of Standards & Technology (NIST), Gaithersburg, MD, USA. ⇒ <i>Research on electronic books (ebooks), Braille and tactile display technology, optical media compatibility and longevity.</i>
1997	Engineering Intern – Physicist Mechatronic Control Corporation (MCC), Oxford, MI, USA. ⇒ <i>Development and testing of antilock brake systems (ABS) for heavy truck-trailers.</i>

EDUCATION

2009-2015	Ph.D. Department of Physics, University of Limerick (UL), Castletroy, Limerick, Ireland. Ph.D. Thesis: Development of Single-Photon Sources, Detectors, Spectrometers and Interfaces for Quantum Communication Systems.
2003-2007	M.Sc. Applied Physics Laboratory (APL), Johns Hopkins University, Laurel, MD.
1998-2000	M.Sc. Department of Physics, UL, Castletroy, Limerick, Ireland. M.S. Thesis: Development of a New Braille Display and Characterization of Displays for Electronic Books.
1994-1998	B.Sc. Department of Applied Physics, UL, Castletroy, Limerick, Ireland.

PATENTS

1. L. Ma, **O. Slattery**, X. Tang, “Direct absolute spectrometer for direct absolute spectrometry” 10641655 (2019)
2. J. Roberts, **O. Slattery**, D. Kardos, E. Mulkens, B. Swoope, V. Min, M. Sutton, G. Rodgers, N. Guttenburg, T. Comstock, “Extended refreshable tactile graphic array for scanned tactile display,” 7009595 (2006)
3. J. Roberts, **O. Slattery**, D. Kardos, “Refreshable Braille Reader,” 6776619 (2004)
4. J. Roberts, **O. Slattery**, D. Kardos, E. Mulkens, B. Swoope, “Apparatus and method utilizing bi-directional relative movement for refreshable tactile display,” 6692255 (2004)

HONORS AND AWARDS:

1. **Bronze Medal Award**, 2015, Department of Commerce, USA. (For the development of single-photon conversion systems.)
2. **Outstanding Contribution Award**, 2011, National Institute of Standards and Technology, USA. (For the development of a laser safety program for the Information Technology Laboratory)
3. **Bronze Medal Award**, 2003, Department of Commerce, USA. (For the development of electronic book readers, rotating Braille display for ebooks and tactile graphics display.)
4. **R&D 100 Award**, 2001, R&D Magazine, USA. (For the development of a rotating Braille display for electronic books).
