ONLINE

The first of four *Show Some Love* days invites everyone to celebrate and spread awareness of the campaign by promoting the 2016 theme online. Use your social media channels to promote the CFC to your co-workers, friends and family. Together, we can *Show Some Love* and get the word out online about this opportunity to give to those in need through the CFC.

### Get involved:

- Connect with the CFCNCA on Facebook, Twitter, Instagram and LinkedIn
- Share posts that encourage your network to be involved with the campaign
- Submit your selfie on the CFCNCA Facebook page to add the *Show Some Love* circle and make it your profile picture
- Use the official hashtag, #ShowSomeLoveCFC, on all your posts
- Encourage co-workers, friends and family to join you in raising awareness of the campaign on social media
