Exporting works for manufacturers of all sizes!

WHO'S EXPORTING?

- 97% of exporters are small or mid-sized businesses.
- 67% of exporters have fewer than 20 employees.

95% of the world's customers live outside the United States.

If you aren't exporting, you are only hitting 5% of the world's potential customers.

BENEFITS OF EXPORTING

- U.S. companies that export grow faster than non-exporting companies.
- Exporting provides companies with a diversified sales base and increases productivity.
- Companies that export are 8.5% less likely to go out of business.
- Exporting spurs innovation in product design and applications.

ExporTech™ is a program designed to accelerate export growth for small and mid-size manufacturers.
