Accessing ASTM E30 Standards for Forensic Science

Go to: https://www.nist.gov/topics/forensic-science/organization-scientific-area-committees-osac/access-standards

1) Click on the ASTM Standards Access Image

2) You will see this screen.

3) Accept terms of the license agreement
4) Once you see the Welcome NISTOSAC, you are ready to search.

NOTE: If for any reason, you see a registration form after or before accepting the license agreement, this is for you to set up a username and password.
