1. Description
Facilitate and promote adoption of competency and time-based cybersecurity apprenticeships, inform occupational needs, training frameworks and raise and address barriers experienced that limit potential effectiveness of adoption.

2. Goals and Objectives

- Support the NICE Strategic Plan; in particular, Objectives 3.2, 3.4 and 3.5.
- Support the ongoing effort to update the NICE Cybersecurity Workforce Framework so that it remains current and relevant for stakeholders.
- Produce recommendations and guidelines for developing a hiring culture focused on hands-on training in an earn-and-learn environment.
- Identify challenges and barriers to corporate adoption of apprenticeship; recommend improvements to existing Registered Apprenticeship system to address these barriers.
- Gather employer feedback on national recognition and portability to standards-based, industry-recognized credentials.
- Perform gap analysis on current cybersecurity standards; vet with employers to occupationally consolidate and standardize to a common standard; map to NIST.
- Gather employer input on nontraditional training systems and viability/importance of need for content to be credit bearing.
- Engage with stakeholder groups to understand deliverables that will most meet the needs of organizations as they seek to reduce cyber risk through the workforce.
- Seek promotional opportunities outside of subgroup to elevate visibility of cybersecurity apprenticeships.
- Generate and publish case studies from employers engaging in cyber apprenticeships.

3. Organization and Operation

The following sections describe the subgroup structure, membership functions, meeting times and locations, and new member acceptance.

3.1 Structure

Subgroups are constituent or topical groups within the NICE Working Group (NICEWG) that are designated, reviewed, and renewed annually by the NICE Working Group Leadership Team.

Subgroups are made up of co-chairs and members. Subgroup Co-Chairs will serve 2-year terms with a possibility of renewal for an additional 2 years. Subgroup members will serve 2-year terms with a possibility of renewal for an additional 2 years.
