**PROPOSED CONSTITUTIONAL AMENDMENT D**

This amendment would allow the Wyoming legislature to enact laws limiting the amount of damages for noneconomic loss that could be awarded for injury or death caused by a health care provider. "Noneconomic loss" generally includes, but is not limited to, losses such as pain and suffering, inconvenience, mental anguish, loss of capacity for enjoyment of life, loss of consortium, and other losses the claimant is entitled to recover as damages under general law.

This amendment will not in any way affect the recovery of damages for economic loss under Wyoming law. "Economic loss" generally includes, but is not limited to, monetary losses such as past and future medical expenses, loss of past and future earnings, loss of use of property, costs of repair or replacement, the economic value of domestic services, loss of employment or business opportunities.

This amendment will not in any way affect the recovery of any additional damages known under Wyoming law as exemplary or punitive damages, which are damages allowed by law to punish a defendant and to deter persons from engaging in similar conduct in the future.

PROPOSED CONSTITUTIONAL AMENDMENT D
This amendment would allow the Wyoming legislature to enact laws limiting the amount of damages for noneconomic loss that could be awarded for injury or death caused by a health care provider. "Noneconomic loss" generally includes, but is not limited to, losses such as pain and suffering, inconvenience, mental anguish, loss of capacity for enjoyment of life, loss of consortium, and other losses the claimant is entitled to recover as damages under general law.

This amendment will not in any way affect the recovery of damages for economic loss under Wyoming law. "Economic loss" generally includes, but is not limited to, monetary losses such as past and future medical expenses, loss of past and future earnings, loss of use of property, costs of repair or replacement, the economic value of domestic services, loss of employment or business opportunities.

This amendment will not in any way affect the recovery of any additional damages known under Wyoming law as exemplary or punitive damages, which are damages allowed by law to punish a defendant and to deter persons from engaging in similar conduct in the future.

PROPOSED CONSTITUTIONAL AMENDMENT D
This amendment would allow the Wyoming legislature to enact laws limiting the amount of damages for noneconomic loss that could be awarded for injury or death caused by a health care provider. **PROPOSED AMENDMENTS TO THE WYOMING CONSTITUTION**

**PROPOSED CONSTITUTIONAL AMENDMENT A**
The adoption of this amendment eliminates a maximum on the amount of revenues rebated from school districts with assessed valuations exceeding statewide averages.

FOR

AGAINST

**PROPOSED CONSTITUTIONAL AMENDMENT B**
The adoption of this provision authorizes the legislature to enact laws for local governments to use local sources of revenue for economic or industrial development subject to approval of the voters.

FOR

AGAINST

**PROPOSED CONSTITUTIONAL AMENDMENT C**
This amendment would allow the Wyoming legislature to enact laws requiring alternative dispute resolution or medical panel review before a person files a lawsuit against a health care provider for injury or death.

FOR

AGAINST

**PROPOSED CONSTITUTIONAL AMENDMENT D**
This amendment would allow the Wyoming legislature to enact laws limiting the amount of damages for noneconomic loss that could be awarded for injury or death caused by a health care provider. "Noneconomic loss" generally includes, but is not limited to, losses such as pain and suffering, inconvenience, mental anguish, loss of capacity for enjoyment of life, loss of consortium, and other losses the claimant is entitled to recover as damages under general law.

This amendment will not in any way affect the recovery of damages for economic loss under Wyoming law. "Economic loss" generally includes, but is not limited to, monetary losses such as past and future medical expenses, loss of past and future earnings, loss of use of property, costs of repair or replacement, the economic value of domestic services, loss of employment or business opportunities.

This amendment will not in any way affect the recovery of any additional damages known under Wyoming law as exemplary or punitive damages, which are damages allowed by law to punish a defendant and to deter persons from engaging in similar conduct in the future.

OTHER BALLOT QUESTIONS

OPTIONAL ONE PERCENT (1%) SALES AND USE TAX PROPOSITION

"Shall the Board of County Commissioners of the County of Fremont, State of Wyoming, be authorized to impose an excise tax of 1% upon retail sales of tangible personal property, admissions and services made within the county, the purpose of which is for general revenue? If passed, the tax would be in place for an initial two-year (2) term and resubmitted to voters at the next General Election."

FOR AGAINST

PROPOSED BALLOT PROPOSITION

"The Wyoming Legislature has granted Conservation Districts in the State of Wyoming, taxing authority for a ONE MILL (1 mil) levy. The levy will be imposed on all property within the Popo Agie Conservation District boundaries. Funds generated by this levy will continue soil and water conservation projects and programs that will be administered by the Popo Agie Conservation District. This question is to continue the mill levy which was approved in the 1988, 1992, 1996, and 2000 General Elections.

If this proposition is approved, the tax shall remain in effect until a petition to discontinue the tax is submitted to the voters at the next General Election. The proposal to discontinue the tax is approved by the voters. The proposal to discontinue the tax shall be submitted to the voters at the expense of the county at the general election or by mail ballot pursuant to W.S. 22-29-115 and 22-29-116 for approval or disapproval.

OTHER BALLOT QUESTIONS

OPTIONAL ONE PERCENT (1%) SALES AND USE TAX PROPOSITION

"Shall the Board of County Commissioners of the County of Fremont, State of Wyoming, be authorized to impose an excise tax of 1% upon retail sales of tangible personal property, admissions and services made within the county, the purpose of which is for general revenue? If passed, the tax would be in place for an initial two-year (2) term and resubmitted to voters at the next General Election."

FOR

AGAINST

POPO AGIE CONSERVATION DISTRICT TAX PROPOSITION

"The Wyoming Legislature has granted Conservation Districts in the State of Wyoming, taxing authority for a ONE MILL (1 mill) levy. The levy will be imposed on all property within the Popo Agie Conservation District boundaries. Funds generated by this levy will continue soil and water conservation projects and programs that will be administered by the Popo Agie Conservation District. This question is to continue the mill levy which was approved in the 1988, 1992, 1996, and 2000 General Elections.

If this proposition is approved, the tax shall remain in effect until a petition to discontinue the tax, signed by not less than ten percent (10%) of the voters of the district, is received by the board of county commissioners, and the proposal to discontinue the tax is approved by the voters. The proposal to discontinue the tax shall be submitted to the voters of the district at the expense of the county at the next general election or by mail ballot pursuant to W.S. 22-29-115 and 22-29-116 for approval or disapproval."
