SECRETARY OF STATE
INSTRUCTIONS TO VOTERS

1. To vote, make a cross (X) in the square opposite your choice, like this (X).

2. To Vote a Straight Ticket
   Make a cross (X) in the square opposite the political party of your choice if you wish to vote for all candidates running in that party. If you vote a straight ticket, but wish to vote for one or more individual candidates, you may do so, and your vote for an individual candidate will override the straight party vote for that office. However, if you vote for one candidate for an office where more than one candidate is to be elected, be sure to vote individually for all candidates of your choice for that office, because your straight ticket vote will not be counted for that office.

3. To Vote a Split Ticket
   If you do not wish to vote for all candidates running in the same party, make a cross (X) in the square opposite the names of the candidates for whom you wish to vote.

4. To Vote by Write-in
   If you wish to vote for candidates whose names are not printed on the ballot, write in the names on the blank lines for write-in votes.

Question Relating to Constitutional Amendments Proposed by the 1999 General Court

“Are you in favor of amending the constitution to provide that municipalities shall have home rule authority to exercise such powers and perform such functions pertaining to their government and affairs which are not prohibited by the state constitution, state statute, or common law, and that the state shall retain its right of preemption over municipal powers and functions?“

Upon passage of this question the first part of the New Hampshire Constitution will be amended by inserting after article 39 the following article:

[Art. 40] ... Rose Authority Granted. A municipality may exercise such powers and perform such functions pertaining to its government and affairs which are not prohibited by the state constitution, state statute, or common law. Nothing in this article shall be construed to alter or limit in any way the state’s right of preemption over municipal powers and functions.

This question is submitted to the voters by the 1999 Legislature on votes of 262 to 62 in the House of Representatives and 19 to 3 in the Senate. (CACH 6)
