

SBIR Road Tour

SEEDING AMERICA'S FUTURE INNOVATIONS™

SMALL TECHNOLOGY FIRMS AND INNOVATORS, America's Largest Seed Fund is Coming to a City Near You!

The SBIR Road Tour is a national outreach effort to convey the non-dilutive technology funding opportunity provided through the Small Business Innovation Research (SBIR) and Small Business Technology Transfer (STTR) programs. Over the course of this year individual program managers from the 11 participating agencies representing \$2.5 billion in early stage funding will embark on a 20 state road tour. Each SBIR Road Tour stop will provide attendees with a coveted local opportunity to hear directly from federal agency program managers, and meet one-on-one with program decision makers.
