

Fourth Video Quality in Public Safety Workshop

Hilton Garden Inn Denver Tech Center

7675 East Union Avenue

Denver, CO

July 26-27, 2012

Purpose: To engage the VQiPS Working Group on recent accomplishments, near term plans, and development of long-term goals

Outcomes:

- Shared understanding of the VQiPs tools available to the community: Video Quality Standards Handbook and Web Tool
- Increased awareness of tools, technologies, best practices and lessons learned useful to improving video quality in public safety applications
- Shared awareness of the progress and future direction of the VQiPS project

Agenda

Thursday July 26th
