

SF-424 R&R Other Project Information Form	Instructions	Required for Submittal Y = Always X = Per instructions N = Not Required
Human Subjects		
1. Are Human Subjects Involved?	If activities involving human subjects are planned at any time during the proposed project period, check "Yes", even if the proposed project is exempt from regulations for the Protection of Human Subjects, or if activities involving human subjects are anticipated but not definitive. NIST retains the final word on determining whether a project potentially involves human subjects research. All others, check "No." Proceed to following questions if "Yes"	Y
1a. Is the Project Exempt from Federal Regulation?	Select "Yes" if all elements of the proposed research project meet the criteria of the exemption. All others, select "No." If 1a is Yes, select the appropriate exemption number. If 1a is No, is the IRB review pending? Yes or No	X
IRB Approval Date	Enter the most recent IRB approval date. If IRB approval is pending, leave this field blank.	X
Human Subjects Assurance Number	Enter the approved Federal-Wide Assurance number. Only enter the 8-digit number. Enter "None" if the applicant organization does not have an approved Federal-Wide Assurance number on file.	X
Vertebrate Animals		
2. Are vertebrate animals used?	If activities involving vertebrate animals are planned at any time during the proposed project period, check "Yes," otherwise check "No". Refer to Appendix A of this Guide for additional information and resource on vertebrate animal regulation and requirements. If "Yes" is selected, complete the following questions under 2a.	Y
2a. Is the IACUC review Pending?	Select "Yes" if an Institutional Animal Care and Use Committee review is pending, or has not been initiated. Otherwise, select "No"	X
IACUC Approval Date	Enter the most recent IACUC approval date. If IACUC is pending, leave this field blank.	X
Animal Welfare Assurance Number	Enter the Federally approved assurance number. Enter "None" if the applicant organization does not have an approved Federally approved animal welfare assurance number.	X

Proprietary/Privileged Information		
3. Is proprietary/privileged information included in the application?	Patents, patentable ideas, trade secrets or other privileged or confidential commercial or financial information should be included in applications only when necessary and required for understanding of the proposed project.	Y
Environmental Impact		
4a. Does this project have an actual or potential impact - positive or negative - on the environment?	If the applicant organization anticipated that the proposed project will have an actual or potential environmental impact, check "Yes."	Y
4b. If Yes, please explain	Provide an explanation of the actual or potential environmental impact the proposed project will have.	X
4c. If this project has an actual or potential impact on the environment, has an exemption been authorized or an environmental assessment or environmental impact statement been performed?	Answer "Yes" or "No" as applicable. An answer is required if the answer to 4a is "Yes"	X
4d. If Yes, please explain	Provide additional detail on the environmental assessment or impact statement.	X
Research Performance Site		
5. Is the research performance site designated, or eligible to be designated, as a historic place?	Answer "Yes" or "No" as applicable.	Y
5a. If Yes, please explain	Provide an explanation if the answer to 5 is "Yes"	X
International Collaborations		
6. Does this project involve activities outside of the United States or partnerships with international collaboration?	Answer "yes" or "no" as applicable. [FOR GMD - ARE THERE ADDITIONAL REQUIREMENTS/JUSTIFICATIONS FOR FOREIGN INVOLVEMENT?]	Y
6a. If yes, identify countries	If the answer to 6 is "Yes" the applicant organization must identify the countries which international cooperation is planned/anticipated	X
6b. Optional Explanation	Enter an explanation regarding the involvement with outside entities.	N

Project Summary/Abstract		
7. Project Summary/Abstract	Upload the project summary/abstract here. See Section 3.4 below for the content of the project summary/abstract.	Y
Project Narrative		
8. Project Narrative	Upload the project narrative here. See Section 3.4 below for the content of the project narrative.	Y
Bibliography & References Cited		
9. Bibliography & References Cited	Unless otherwise noted in the NOFO, this information is required to be submitted utilizing a standard scholar format.	Y
Facilities & Other Resources		
10. Facilities and Other Resources	This attachment describes how the scientific environment where the research will be performed contributes to the probability of success, including unique features of the environment. If multiple sites are proposed, include a description for each site.	Y
Equipment		
11. Equipment	This attachment should contain major equipment already available for the project, including location and capabilities.	Y
Other Attachments		
12. Other Attachments	Refer to the NOFO for specific requirements or additional/optional attachments that may be included in the application. See Section 3.4 below for additional information on uploading other attachments.	X
