Comments template for Preliminary Cybersecurity Framework					Submitted by: Dr. Kofi Nyamekye Date: November 15, 2013			
#	Organization	Commentor	Type	Page	Line #	Section	Comment (Include rationale for comment)	Suggested change
1	IABSRI	Dr. Kofi Nyamekye	T	3	160-183	1.2	The paragraph neglects the effects of uncertainties and complexities on Cybersecurity. That is, unknown factors both internal and external to a supply chain for example, can affect management of a supply chain against Cybersecurity risks. Also, interactions and interdependencies among the entities in a supply chain, can cause the emergence of patterns that can affect management of the supply chain against Cybersecurity risks.	Add the effects of uncertainties and complexities on Cybersecurity risks.
