**Subject:** Feedback: Anamolies, Taxonomies, Victims, & Responses

As we already know, anomalous (re)action by a victim demands a respectful response, which follows Constitutional law.

Ignorance, violence, privacy violations, and life-destruction of a victim-citizen's life is not within the lawful scope of RESPONSE options by any government agency, employee, or subcontractor.

When you come for another man's soul, it is an unforgivable sin.
