

Accessing ASTM E30 Standards for Forensic Science

Go to: <https://www.nist.gov/topics/forensic-science/organization-scientific-area-committees-osac/access-standards>

1) Click on the ASTM Standards Access Image

The screenshot shows the NIST website interface. At the top, there is a black header with the NIST logo on the left, a search bar labeled 'Search NIST', and a 'NIST MENU' button. Below the header is a green navigation bar with the text 'FORENSIC SCIENCE'. On the left side, there is a blue sidebar menu titled 'The Organization of Scientific Area Committees for Forensic Science' with various sub-links. The main content area is titled 'Access to Standards' and 'ASTM International'. It features a sub-heading 'Free Access to ASTM Committee E30 on Forensic Science's Standards' and a prominent green button labeled 'ASTM Standards Access' which is highlighted by a red arrow. Below this, there is a paragraph explaining the agreement between NIST and ASTM International, followed by a bulleted list of stakeholder groups.

2) You will see this screen.

The screenshot shows a transfer screen. At the top center is a grey loading icon consisting of a circle with radiating lines. Below it, the text reads: 'Please wait while we transfer you to your ASTM Compass.' In the center, there is a large, bold, black text that says 'Thank you for visiting NIST.' Below that, in a smaller bold font, it says 'We hope your visit was informative.'
