Certification
Lab, Inc.

Use:

- Fasten all closures and adjust for a snug fit.

Inspection:

- Inspect your life vest before each outing. Do not use if your life vest shows signs of weathering, damage, or rot.

Care and Storage:

- Dry thoroughly after each outing.
- Store in a dry, cool place out of direct sunlight.

Lessons Learned

- Work with the stakeholders
- Conduct a comprehensive review of existing standards
- Find ways to accommodate different approval systems
- Consider the costs and consequences
- Think about ways to measure the results
- Start over
