

**Your behavior gets you
blacklisted by the group**

Lose 1 Token

**You fail to vote in the
last three ballots**

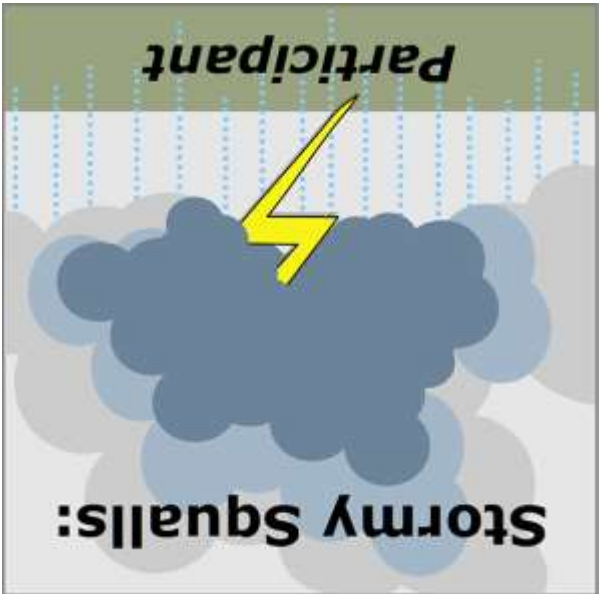

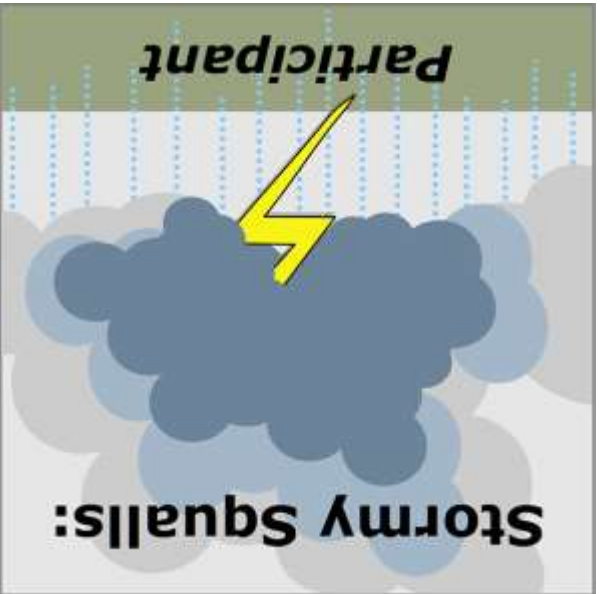

Lose 1 Token

**You appeal a decision because
you have sour grapes**

Lose 1 Token

**You never respond to requests
from the working group chair**

Lose 1 Token

You grumble about a working group member to any who will listen

Lose 1 Token

You use bribery to reach consensus

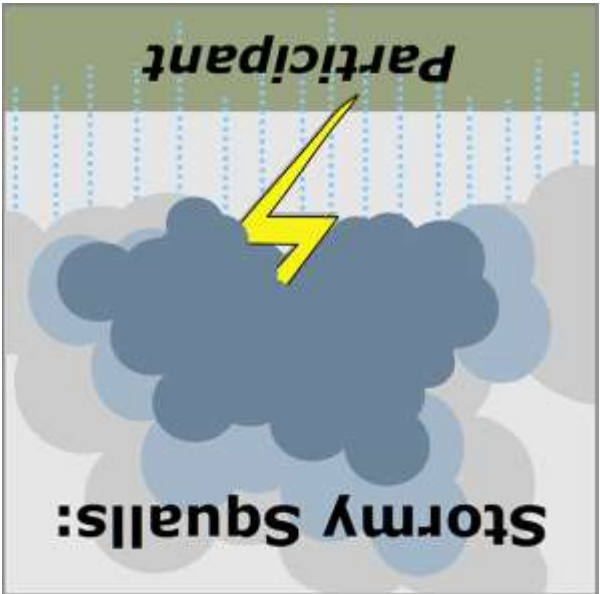

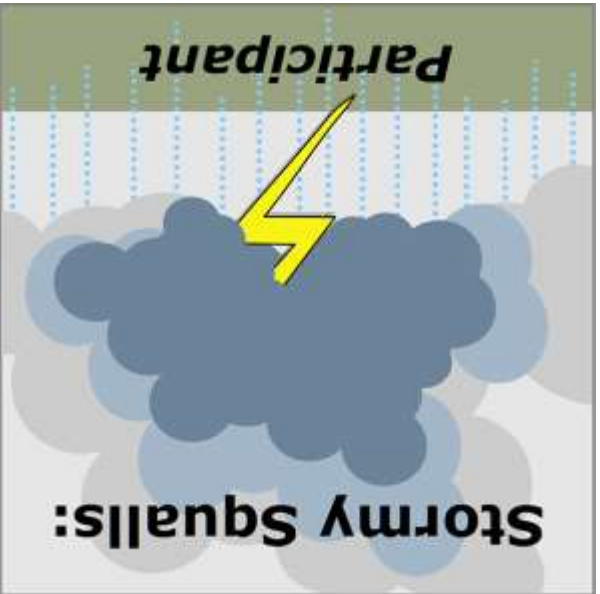

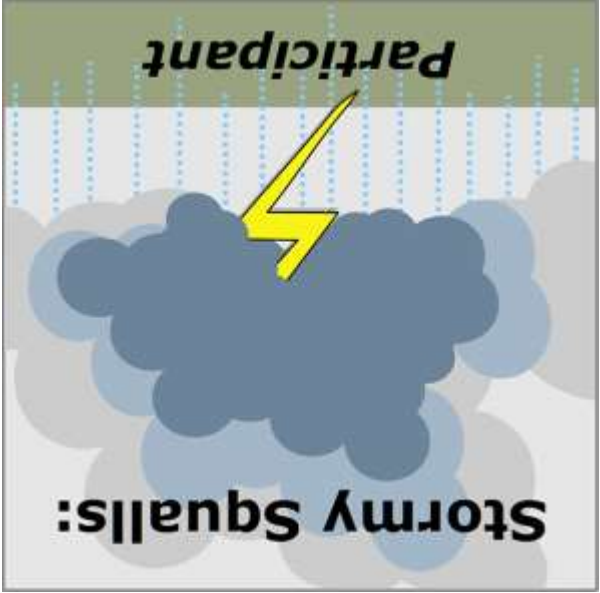

Lose 1 Token

You agree to take an action item, but don't deliver...again

Lose 1 Token

You dig your heels in, argue your point, and refuse to consider other ideas

Lose 1 Token

You bomb the process

Lose 1 Token

**You derail discussions by
Taking everyone down a
rabbit hole**

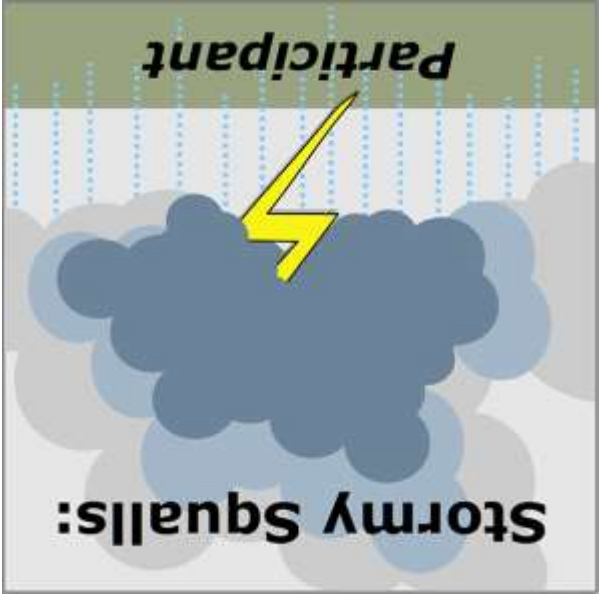

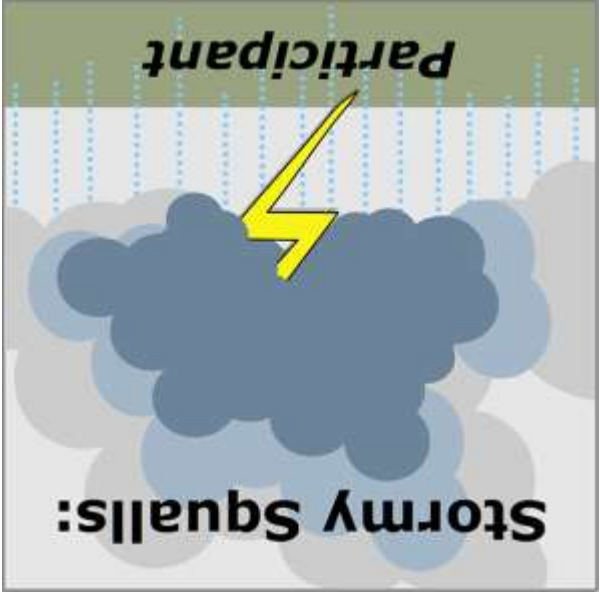

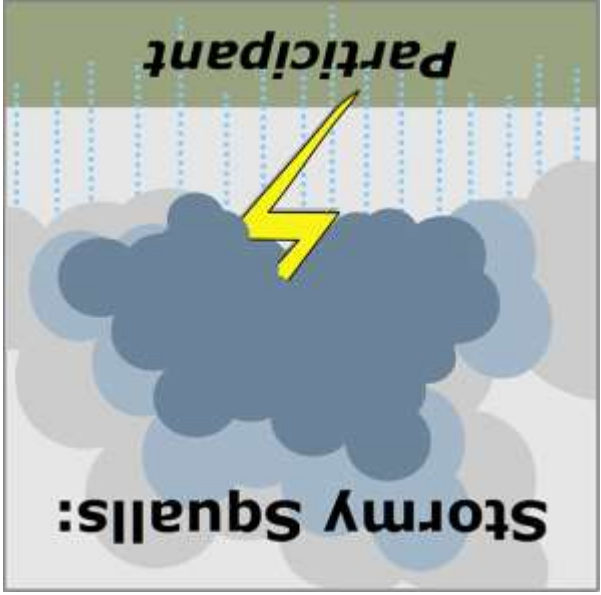

Lose 1 Token

**You join the working group just
to disrupt the process and stop
the standard**

Lose 1 Token

**You are AWOL at working
group meetings**

Lose 1 Token

**You raise self-interest
discussion topics that divert
time away from the planned
agenda**

Lose 1 Token

**You are known as someone
that must be managed**

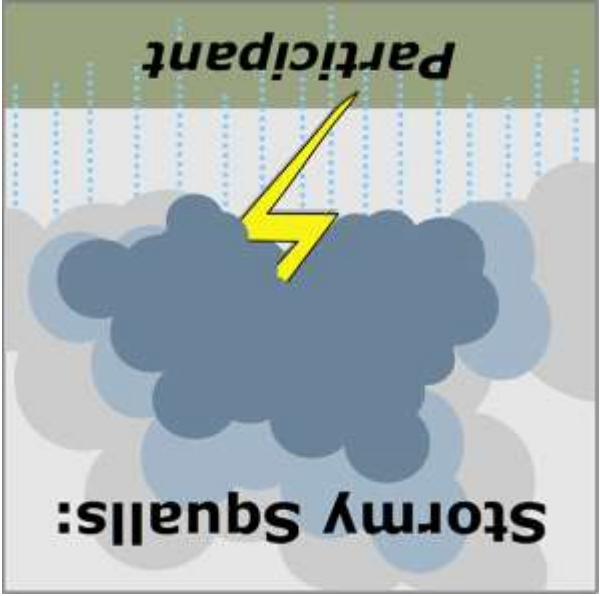

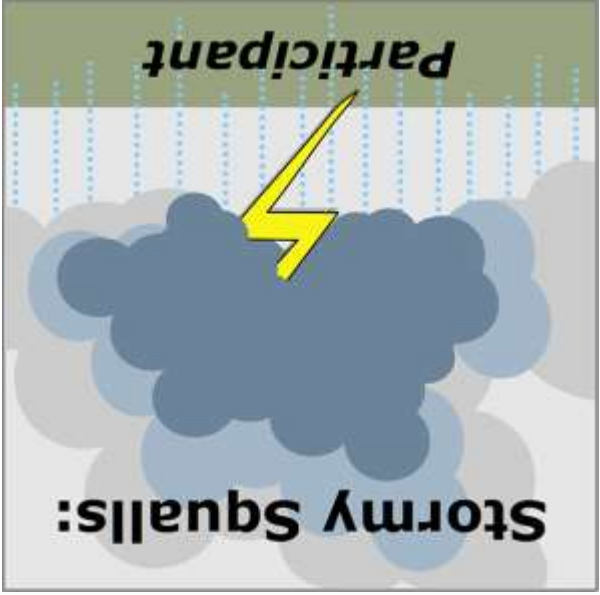

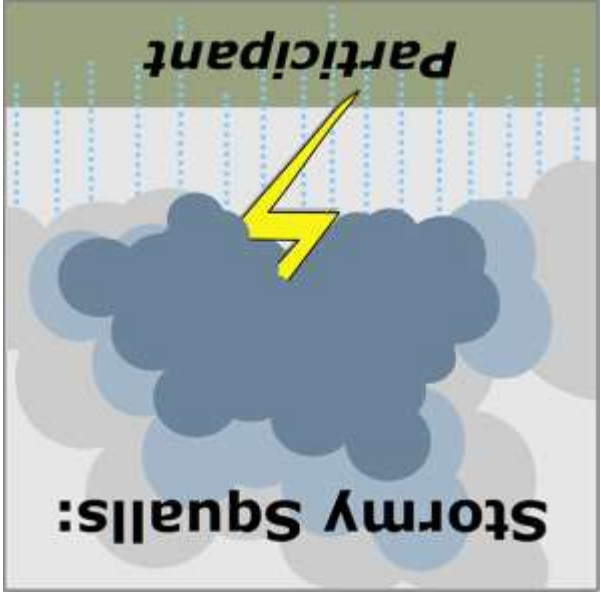

Lose 1 Token

**Working group members sigh
when you raise your hand**

Lose 1 Token

**You don't play well in the
sandbox: You don't think the
working group should
collaborate with other
working groups**

Lose 1 Token

**Your edits just don't make
sense**

Lose 1 Token

**You wait until the last minute
to say the document is crap**

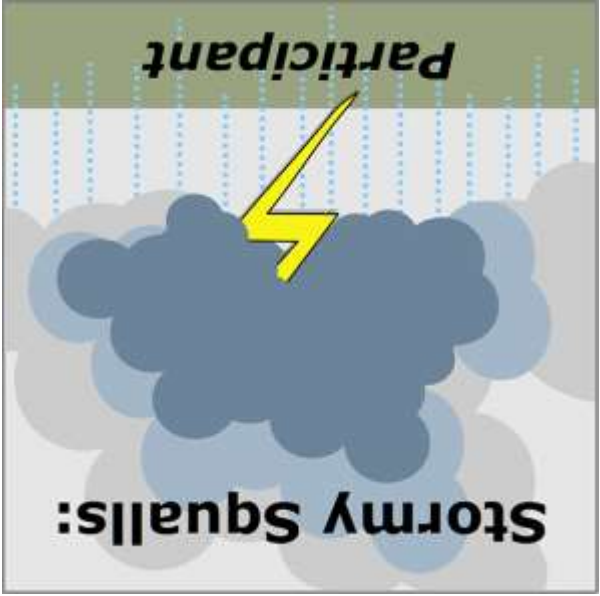

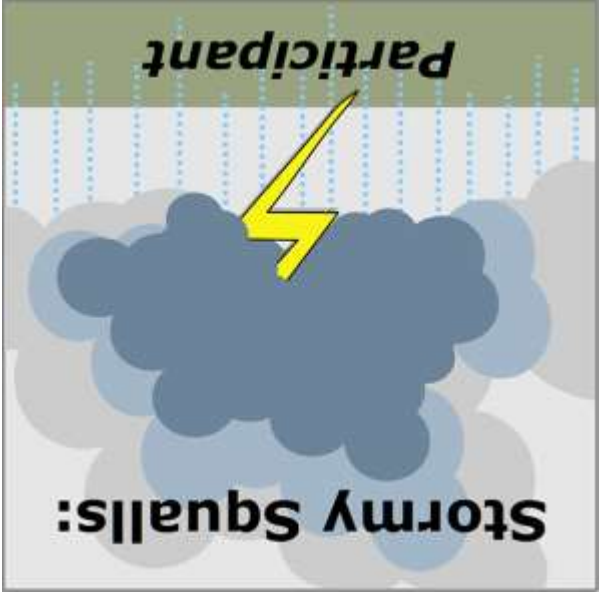

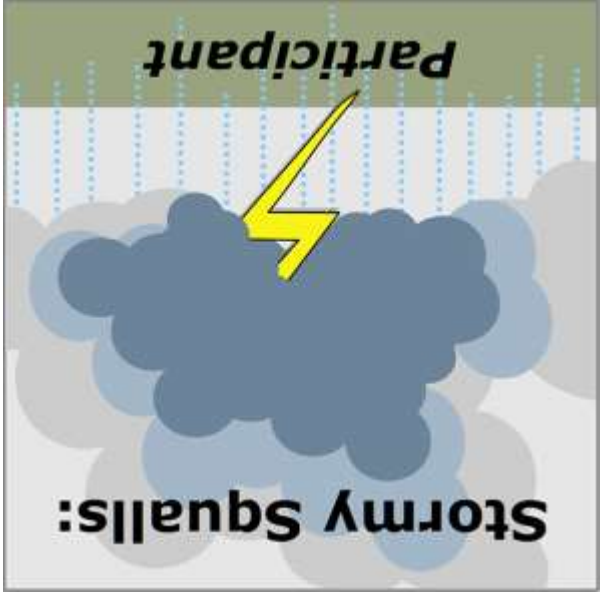

Lose 1 Token

**You roll your eyes when
other group members speak**

Lose 1 Token

**You yell and scream to get
your point across**

Lose 1 Token

**You speak in a
condescending manner**

Lose 1 Token

**You start another working
group on the same standard
.... in a different SDO**

Lose 1 Token

**You bad mouth a
commenter to the working
group members**
