

Hi Danielle,

Thank you for your very prompt response. I did not realize that the comment period just got done.

Attached please the MITRE updates to the Training and Certifications Subgroup. The team that provided the input are part of an IC USG organization that has embraced the NICE framework. They have more input to provide.

I am happy to discuss the academic engagement on the 30th morning with you. I will send out a calendar invite for the meeting.

Thanks again for your help and accepting these updates.

Best Regards,
Genny Gadwale
