

The National Institute of Standards and Technology (NIST) Acquisition Management Division, intends to negotiate with Onepointe Solutions, located in Elgin, TX, on a sole source basis under the authority of FAR Subpart 13.106-1(b), soliciting from a single source to purchase Lab Renovation Furnishings.

NIST Scientific Lab 2-1119 in Building 2 on the NIST Boulder campus requires renovation to improve safety for housing equipment for chemical analyses and for instructing and training students. All items must be new. Used or remanufactured equipment will not be considered for award. The use of “gray market” components not authorized for sale in the U.S. by the Contractor is not acceptable. All line items shall be shipped in the original manufacturer’s packaging and include all original documentation and software, when applicable.

The NAICS Code is 337127, Institutional Furniture Manufacturing, with a small business size standard of 500 employees. NIST anticipates negotiating and awarding a firm-fixed-price contract to Onepointe Solutions for this requirement.

Interested parties that can demonstrate they could satisfy the requirement listed above for NIST must clearly and unambiguously identify their capability to do so in writing on or before the response date for this notice. This notice of intent is not a solicitation. Information submitted in response to this notice will be used solely to determine whether competitive procedures could be used for this acquisition. If competitive procedures are not used it is estimated that an award will be issued by April 3, 2020. Any questions regarding this notice must be submitted in writing via email to angela.hitt@nist.gov. All responses to this notice of intent must be submitted to angela.hitt@nist.gov no later than March 16, 2020 at 2:30 p.m. MST.
