Voting Accessibility Evaluation Team,

Please see attached for VASTEC, Inc.'s reply to the RFI recently issued by the National Institute of Standards and Technology (NIST) in the Federal Register , Volume 86, # 114, for Promoting Access to Voting.

Please know that VASTEC has deep domain knowledge and expertise in Section 508 and W3C WCAG Accessibility Remediation Services. We have, for over a decade, continuously supported 508 Remediation projects with a portfolio of the services that includes accessibility assessments, document remediation, testing, and consulting services to assure ADA compliance and we are interested in continuing to work with NIST and to support your organization as you continue to assess and address challenges with voting accessibility for people with disabilities.

Please consider me as your contact as you move forward. Please feel free to reach out at any time if you have any questions or if you need any further information.

Jeff Ogden
Proposal Manager
VASTEC
