IMPACTS | National Initiative for Cybersecurity Education

COLLABORATING

2,306 Members of the NICE Community Coordinating Council
188 Guest interviewees & article authors
70 Planning Committee Members

CREATING

60 PUBLICATIONS DEVELOPED
19 One Pagers
12 Success Stories
8 Posters
15 Reports & White Papers
6 NISTIRs & Special Pubs

SHARING

312 Articles about our work in the news media since tracking began in April 2018
97 EVENTS: Webinars, Forums, Summits, & Symposiums
34 Conferences, Workshops, & Special Events

QUOTE FROM THE COMMUNITY

“While strides have been made, the language used to discuss cyber work is inconsistent. This hinders the Nation’s ability to assess capabilities, identify skill gaps, and prepare the pipeline of future cyber talent. The NICE Framework gives us a source to help mitigate that.”

- A Program Lead at the Office of Chief Information Officer, US Department of Defense

41,001 NICE News subscribers
25,988 NICE followers
1,000+ Comments received on the NICE Framework
