

## Fiscal Year 2023 Extramural Construction Grants

Entity	Project
The Ohio State University	Battery Innovation Laboratory and Education Center
The University of Scranton	Workforce Development, Applied Research and Outreach Center in Health, Science and Cybersecurity
St. Mary's University	Construction and Equipment for the Innovation Center at St. Mary's University
Clafin University	Clafin University Bioscience Research and Technology Center
Tennessee State University	Tennessee State University Harned Hall Biological Sciences Research Building Renovation
Institute for Sustainable Bio- technology at the Inter-American University of Puerto Rico	Center for Food Security and Sustainable Agriculture
University of Puerto Rico, Mayaguez Campus	Aerospace Research Institute
Harris County	Institute of Forensic Sciences Design and Renovation
The University of Toledo	Health Sciences Bioresearch Lab
Connecticut Center for Advanced Technology (CCAT)	Connecticut Manufacturing Technology & Innovation Center

University of Missouri— Columbia	Next Generation University of Missouri Research Reactor
University of Colorado Boulder	University of Colorado Boulder JILA
Bigelow Laboratory for Ocean Sciences	Innovation and Education Wing at Bigelow Laboratory
Utica University	Utica University Crime Lab
Mount St. Mary's University	Mount St. Mary's Expanding STEM Access, Innovation and Workforce Development in Rural Maryland
Wright State University	The Wright State University Power House Research Center
Ohio University	Russ Research Center Digital Design Studio Development
Florida International University	Robotics and Autonomous Systems Laboratory for Coastal Conservation and Restoration
Missouri State University	Construction at Cheek Hall Science and Mathematics Facilities
The Curators of the University of Missouri	Construction at Manufacturing Technology and Innovation Campus
West Virginia Geological and Economic Survey	Modernization of Repository Facilities

University of Maine System	Construction of an Advanced-Manufacturing Materials Research Facility
University of New England	Construction of a Coastal Research Deployment Facility
University of Oklahoma	Expansion of National Weather Center Facilities
Champlain College	Cybersecurity and Information Technology Nexus Research
Norwich University	Multi-disciplinary Cyber Fusion Research and Development Center
Fort Hays State University	Renovation of Forsyth Library
University of Kansas Cancer Center	Planning and Construction of a Cancer Research Facility at the KU Cancer Center
Seacoast Science Center	Seacoast Science Center Renovation and Program Expansion
Marion Military Institute	Construction of a New Math and Science Facility
The University of Alabama at Tuscaloosa	Construction of a High- Performance Computing and Data Center for Water and Hydrological Scientific Research, Education, and Forecasting
