

NIST/CIB Fire Resistance Structures Workshop Local Arrangements

Arriving and Security: All attendees for the Fire Resistance Structures Workshop must be pre-registered. Photo identification (and vehicle registration information for those driving a rental or a private car) must be presented at the main gate to be admitted to the campus. International attendees are required to present a passport. Attendees must wear their conference badge at all times while on campus.

The workshop will begin promptly at 8:30 am on May 21, so be sure to allow yourself enough time to pass through security. For those taking the Metro to the Shady Grove station (Red Line), NIST provides shuttle service to and from campus from 6:45 am to 6:10 pm. The NIST shuttle picks up at "Bus Bay C" at 15 minutes and 45 minutes past the hour. It is recommended that you schedule your Metro travel in time to catch the 7:45 am shuttle. The ride between NIST and the Shady Grove Metro Station takes approximately 15 minutes, depending on traffic conditions. Visitors using the Metro Shuttle will be asked to exit the bus at the entrance to NIST in order to go through security. The workshop organizers will have a van or passenger vehicle at the main gate to transport those in need of a ride from the main gate to building 224 ("Polymers" Bldg.). A NIST employee will need to provide you building access once inside the lobby. The conference room is on the 2nd floor, room B245.

Meals: Coffee will be provided in the morning for attendees. Lunch on the 21st will be at the individuals expense in the NIST cafeteria (credit cards are accepted). There is no formal dinner on the evening of the first day of the workshop. Instead, attendees are encouraged to self-select from the following list of four restaurants and to form groups so that informal discussions can continue over dinner. A NIST staff member will be available to coordinate transportation and to join each of the different groups.

Copper Canyon Grill

American, Steakhouse
100 Boardwalk Pl
(240) 631-0003

Joe's Crab Shack

Seafood
221 Rio Blvd
