The following are the terms of participation in OpenHaRT'10:

- The site agrees to comply fully with all requirements for participation stated in the latest version of the 2010 OpenHaRT evaluation plan. Failure to comply will require immediate return and removal of any data obtained under the LDC 2010 OpenHaRT license agreement.
- For each task that the site has registered to participate, the site agrees to process the evaluation data in accordance with the 2010 OpenHaRT Evaluation Plan and returns the system output files to NIST by the end of the evaluation period. Refer to the evaluation plan for the evaluation schedule.
- The site agrees to be represented at the evaluation workshop to be held in the Washington DC area on **September 16, 2010** and to openly discuss the system(s) evaluated.
- The site agrees to abide by the OpenHaRT '10 publication policy as stated in section 9 of the evaluation plan and agrees to not publicly compare its results with the results of other participants. The site is free to do what it wishes with its own results but may neither redistribute nor publish results from another site.
- The evaluation data (both source and reference data) is protected and cannot be redistributed.

NIST serves to coordinate the Open Handwriting Recognition and Translation evaluations. These tests are designed for local implementation by each participant. Only their results are returned to NIST for scoring. The reported results are not to be construed, or represented, as endorsement of any participant's system, or as official findings on the part of NIST or the U.S. Government.
