

Pursuant to Court Remand (Sept. 8, 2009) and *Nucor Corporation, Gerdau Ameristeel Corporation, and Commercial Metals Company v. United States, Final Results of Redetermination Pursuant to Court Remand* (Nov. 6, 2009). In both remand redeterminations, the Department reconsidered the appropriateness of using POR cost data, and consistent with the court's orders, recalculated the margin for both companies using quarterly costs. In addition, in its November 6, 2009, redetermination, the Department provided additional justification for its date of sale methodology for ICDAS, as well as for its methodology of defining the universe of reviewed transactions.

On November 23, 2009, and January 19, 2010, respectively, the CIT found that the Department complied with its remand orders and sustained the Department's remand redeterminations in all respects. See *Habas II* and *ICDAS*.

On December 4, 2009, and February 12, 2010, respectively, consistent with the decision of the United States Court of Appeals for the Federal District in *Timken Co. v. United States*, 893 F.2d 337 (Fed. Cir. 1990), the Department notified the public that the CIT's decisions were "not in harmony" with the Department's *Final Results*. See *Certain Steel Concrete Reinforcing Bars from Turkey: Notice of Court Decision Not in Harmony with Final Results of Administrative Review*, 74 FR 65515 (Dec. 10, 2009) and *Certain Steel Concrete Reinforcing Bars from Turkey: Notice of Court Decision Not in Harmony with Final Results of Administrative Review*, 75 FR 7562 (Feb. 22, 2010) (Collectively, *Rebar Timken Notices*). No party appealed either of the CIT's judgments. Because there are now final and conclusive decisions in the Court proceedings as explained in the *Rebar Timken Notices*, we are issuing amended final results to reflect the results of the remand determinations.

Amended Final Results of Review

We are amending the final results of the 2003–2004 administrative review of the antidumping duty order on rebar from Turkey to revise the weighted–average margin for Habas from 26.07 percent to 5.58 percent, and to revise the weighted–average margin for ICDAS from 0.16 percent to 0.70 percent.

Assessment

The Department shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries.

Pursuant to 19 CFR 351.106(c)(2), we will instruct CBP to liquidate without

regard to antidumping duties any entries for which the assessment rate is *de minimis* (i.e., less than 0.50 percent). The Department will issue appraisement instructions directly to CBP.

This notice is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: April 23, 2010.

Ronald K. Lorentzen,

Deputy Assistant Secretary for Import Administration.
